

## **Farrah Wilson joins METOS Canada**

November 4, 2020 - METOS<sup>®</sup> Canada welcomes Farrah Wilson to the team, in a new role Customer Satisfaction Coordinator.

Farrah comes to us with 20 years of experience in the agriculture industry. With a strong background in advertising and a passion for organization she has been the creative lead in various roles including Advertising Coordinator, Graphic Designer, Marketing Coordinator and Brand Strategist of various Glacier FarmMedia publications and events.

Farrah recently joined the METOS Canada team as Customer Satisfaction Coordinator and is working to support our dealer network and direct farmers to the solutions that will work for their farm operation. Farrah is excited to grow her agriculture knowledge and further participate in the industry. She is looking forward to building relationships with the dealers and farmers who are looking to learn more about METOS Canada products and services.
